

PROTEAN Label Remover is a NSF: K3 registered, spray-formulated, label remover suitable for use within Food & Beverage, Packaging, Pharmaceutical and other cleanroom environments. Effective in the removal of sticky labels from most substrates including many plastics, metals, rubbers, painted surfaces and other impervious materials, leaving no residues or markings.

### Benefits & Features

- NSF: K3 registered
- Dissolves gums and adhesives from self adhesive labels
- Suitable for most surfaces
- Leaves no residues
- High penetrating power
- 360° value for inverted use

### Directions for Use

- Store out of direct sunlight and below +50°C (ideally between +10°C and +25°C)
- Consult the safety data sheet prior to use
- Shake aerosol well before use, and if in doubt, test an inconspicuous area first
- DO NOT SPRAY ON LIVE EQUIPMENT
- Spray lightly onto the target surface from a distance of 15-20cm.
- Product evaporates rapidly but any excess product or label residues can be wiped off with a soft, clean cloth

### Technical Data

Category	K3 – for use in removing adhesive or glue from food packaging materials in and around food processing areas, where its use is not intended for direct food contact
NSF Certificate No.	145233 Does not contain any genetically modified ingredients, nut oils or animal derivatives
Appearance	Colourless liquid
Odour	Pleasant Lemon
Propellant(s)	Propane / Butane
Storage	Below +50°C
Flammability	Highly flammable aerosol
Flash Point	-60°C
Relative Density	0.73
Solubility	Insoluble in water
Pack Sizes	12 x 400ml cans
