

Description

Effective cleaning and maintenance of high-sheen metals. This product maintains a sparkling appearance to stainless steel, chrome and aluminium surfaces. Its non-abrasive formulation cleans without scratching, leaving a protective film to aid in future maintenance.

Benefits & Features

- Non-abrasive – leaves no scratches
- Effective on stainless steel, chrome and aluminium
- Use on supermarket checkouts, window surrounds and kitchen equipment (not including food preparation surfaces)
- Removes grease
- Inert composition, acid and alkali free
- Silicone free
- Leaves a protective clear film
- Lemon fragrance

Directions for Use

Shake can well before use. Hold upright and spray lightly from 15-30cm. Polish off with a lint free cloth.
