

Description

TYGRIS INDUSTRIAL WIPES have been developed for the removal of grease and grime in a cost effective way. These wipes are tested and are very effective for the fast removal of general dirt and grime from hands, tools and surfaces.

These large, absorbent hand wipes contain a cleaner developed to remove tough stuff whilst remaining safe for use on hands. The dual textured material, abrasive one side, softer the other, provides the mechanical scrubbing action required to remove stubborn dirt.

Benefits & Features:

- Absorbent wipe material
- Dual textured to aid scrubbing/removal of stubborn dirt
- Specially formulated to remove common contaminants found in most trades and industries
- Manufactured in accordance with ISO 9001 QMS and Environmental Standard ISO 14001

Directions for Use:

Remove lid from bucket and locate the start of the wipes in the centre of the roll. Feed the wipes through the centre of the lid and then reattach the lid to the bucket. Pull wipes through as required. To prevent wipes from drying out, close cap in lid immediately after use. Use only as directed.

Technical Data

Appearance:	Blue/White perforated wipe 280mm x 250mm (wipe size) 42gsm (dry weight)
Odour:	Citrus
Liquid Contents:	See tub label for ingredients.
Storage:	Store in the original container in cool dry conditions between 5°C and 25°C.
